Sir:

I, Mark W. Roberts, represent that I am the attorney of record for the above-identified application. Micron Technology, Inc. ("Micron"), a corporation of the State of Delaware having a place of business at 8000 South Federal Way, Boise, Idaho 83716-9632, is the assignee and owner of the entire 100 percent interest in the instant application. Documentary evidence of chain of title from the original owner to Micron has been filed with and recorded by the United States Patent Office at Reel 9716, Frame 0511.

Micron hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of U.S. patent that issues from U.S. Patent Application No. 09/943,894, filed on August 29, 2001, entitled METHOD AND SYSTEM FOR CENTRALIZED STORAGE AND MANAGEMENT OF ELECTRONIC MESSAGES, and hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period as legal title thereto and to the U.S. patent issuing from Application No. 09/943,894 is commonly owned. This agreement is to run with any patent

granted on the above-identified application and is to be binding upon the grantees, his successors and assigns.

No disclaimer is made for any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of U.S. Patent Application No. 09/943,894 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a re-examination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned represents that he is an attorney of record for Micron and has the authority to execute this document on behalf of Micron. The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that the making of willfully false statements and the like is punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of any patent issuing from this patent application.

Respectfully submitted,

DORSEY & WHITNEY LLP
